DETAILED ACTION

Reason for allowance

1. The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests a microelectronic assembly comprising: a conductive element including a bottom wall and a plurality of side walls extending from bottom wall so that bottom wall and side walls define a depression, conductive element having one or more additional openings in at least one of walls.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
